

Staff Briefing #66

Recognizing Years of Service

February 17, 2005

Many of our co-workers are being recognized for their **years of service!** I wanted to take this time to acknowledge the long-term commitment of 58 valuable employees. As you know, the Board of Supervisors makes a formal presentation to those employees who have attained 20 years of service or more. **ADMHS will recognize six employees with 20 years of service** at the BOS on March 15th in Santa Barbara, and March 22nd in Santa Maria. The ceremonies begin at 2 p.m. Check with your manager if you would like to attend.
